Well done Peter.

That was a great catch. That's fine about the whiteboard - I'll bring some large sheets of A1 paper - the café is much better. I will meet Leeanna at 9:15 in the carpark and bring her to the café.

Feel free to put a sign up on the door saying "Booked for meeting" with my name on it if you have to run to the bathroom 😊

Cheers,
Badger.

Subject: Room for meeting

Hi Badger & team,

I've just got to uni, and I've got the room next to the cafe in WZ.

There's no whiteboard here though. Do you think we'll need one for today's session?

If so I've also booked a study room in the library, room 5 on level 3. I'm more than happy to move there if you think it would be better.

Cheers,

Pete.
