Hi Leeanna,

We've been good, and yes we've made some progress 😊

2pm tomorrow on teams sounds good, we'll see you then!

Hlya

Hope you're all doing OK? Sounds like you're rocketing in developing the quiz 😊

Sorry haven't got to Friday's emails yet but Wednesday at 2-3 sounds good. On teams?

PS - book your seat to hear me speak at the next couple of FinTechNZ events with Minister James Shaw - [online in October](#) or in-person, [in Auckland, in February](#) about the opportunities and challenges the finance industry is facing in relation to Climate-related Disclosures Bill. See you there.

Kind regards

Subject: Sprint review 2pm Wed?

Hey Leeanna,

Just wondering if you're available to review our work for this sprint this coming Wednesday at 2pm? Sent a message on teams but not sure you received it.

It is worth noting that we've prototyped the long quiz and display of the results, but they aren't in a form ready for you to easily test at the moment (that'll be addressed early next sprint over the break). We'll show you what we've done locally during our meeting.

Thanks,

Chris
