Action Items

Item:	Assigned to:	Deadline:
1. **Next steps forward:** - Discussion on whether to start with recommendation system or finish deliverables for sprint 1 and focus on sprint 2 were discussed - After some discussion, team agreed to focus on sprint 2	-	-
2. **Meeting with Finappster Tau:** - Contact finappster tau and arrange a meeting before Thursday so that we can get an insight into the shape of this data (since they are done) - Additionally, Team needs to understand whether the data is usable or not - Possible outcomes of this might include. First, data may not be usable after all, then the team may need to use dummy data only (leaving connection to the other team). Second, being in a different state than expected, resulting to revamp the design plan for the recommendation system and general MyValues formatting. Lastly, data being usable and in the state, it was expected to be in, recommendation implementation will be done in a way that the team was thinking.	-	-
